

# ORGANISATIONAL DEVELOPMENT CAPACITY BUILDING MANAGER

£ 27,297 per annum

BASED: Nyala, Darfur

The Darfur Crisis is a complex emergency that continues to unfold; Action by Churches Together (ACT) Alliance and Caritas Internationalis are responding together to the significant humanitarian need on the ground. We work together to support the people caught up in the crisis through a partnership formed in July 2004, providing support to Norwegian Church Aid who manage the NCA Darfur Programme. As we meet immediate humanitarian needs, a key priority of our response is to also build and develop the local capacity of our national ACT and Caritas members - Sudan Council of Churches (SCC) and Sudanaid. CAFOD, as the lead Caritas agency, takes responsibility to recruit international personnel for the NCA Darfur Programme.

For this critical role in our programmes we are looking for someone to manage the development of the capacities of national staff of the NCA Darfur Programme. You will also need to manage the provision of capacity development support to our national partner agencies. You will need sound understanding of organisational development and capacity building skills, together with excellent management, interpersonal and communication skills. You will also need experience of building and managing relationships with a diverse range of staff, partners and other stakeholders.

**Further information on the NCA Darfur programme plus an application pack can be obtained from the CAFOD website <http://www.cafod.org.uk/jobs/international>. Please emailing your application to [Humanitarianjobs@cafod.org.uk](mailto:Humanitarianjobs@cafod.org.uk), quoting ref DAR 1007.**

**This is a rolling recruitment, we will shortlist and interview as we receive applications. Applicants are advised to apply early. Closing date for the process is 30<sup>th</sup> June 2010.**
